## Selles job

### Description

Dz Enterprises Private Limited is looking for motivated and energetic Sales Executives to promote and sell electronics products in the local market. This is a **target-based role with performance-driven earnings**, where candidates are expected to actively engage with customers, generate sales, and contribute to the company's growth.

In this role, you will visit different locations in your assigned area, introduce products to potential customers, and close sales independently. The position requires confidence, consistency, and a strong focus on achieving targets.

### Responsibilities

- Approach customers and introduce company products
- Generate sales in your assigned area
- Build and maintain customer relationships
- Submit daily sales reports
- Achieve assigned sales targets

### Requirements:

- 6 to 12 months of sales experience
- Good communication skills
- Self-motivated and target-driven
- Willing to work in the field

### Job Benefits

- 20% commission on each sale
- High earning potential based on performance

### Hiring organization

Dz enterprises private limited

### Employment Type

Full-time

### Industry

Dz Enterprises Private Limited

### Base Salary
